

Educator Externships

A three-day professional development experience
Summer 2024

Educator Externships are designed to connect students to work-learning experiences and expand the capacity of educators to develop students who are in touch with the demands of the workplace and the skills—both technical and professional—they need to be hired as successful employees.

Looking to explore other ways to get involved?

Relevance:
The Educator Externship program will expose educators to the various jobs, companies, and industries around the Linn and Benton County region.
An educator's exposure to employers' values and culture can contribute to the development of a curriculum that benefits students' career readiness while teaching them essential employability skills for their future careers.

Compensation:
Upon completion of the program, educators receive incentive pay for their participation.

Participant Expectations:
-Commit to a three-day program summer session.
• Session 1 June 25th- 27th
• Session 2 July 30th- Aug 1st
• Session 3 August 6th- 8th
-Collaborate with other educators and business and industry.
