

# Educator Externships

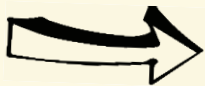

A professional development and industry exploration program for K-12 educators.

Summer 2024

“Being present with educators who are in front of students daily is essential if we are to be a viable, desired option for youth to consider professionally.”

Collaborate with us to help educators equip students with the skills, knowledge, readiness, and connections they need to succeed in the workplace.

Your company can get involved with Educator Externships by hosting a two to 2.5 hour visit during one of these sessions:

- Session 1 June 25th & 26th.
- Session 2 July 30th & 31st.
- Session 3 August 6th & 7th.

Previous employers have provided:

- > Facility Tours
- > Demonstrations
- > Hands-on activities
- > Informational panels
